Life Will Be the Death of Me Chelsea Handler 2020-06-23 #1 NEW YORK TIMES BESTSELLER • The funny, sad, super-honest, all-true story of Chelsea Handler's year of self-discovery—featuring a nerdily brilliant psychiatrist, a shaman, four Chow Chows, some well-placed security cameras, various family members (living and departed), friends, assistants, and a lot of edibles A SKIMM READS PICK • “This will be one of your favorite books of all time.”—Amy Schumer In a haze of vape smoke on a rare windy night in L.A. in the fall of 2016, Chelsea Handler daydreams about what life will be like with a woman in the White House. And then Donald Trump happens. In a torpor of despair, she decides that she's had enough of the privileged bubble she's lived in—a bubble within a bubble—and that it's time to make some changes, both in her personal life and in the world at large. At home, she embarks on a year of self-sufficiency—learning how to work the remote, how to pick up dog shit, where to find the toaster. She meets her match in an earnest, brainy psychiatrist and enters into therapy, prepared to do the heavy lifting required to look within and make sense of a childhood marked by love and loss and to figure out why people are afraid of her. She becomes politically active—finding her voice as an advocate for change, having difficult conversations, and energizing her base. In the process, she develops a healthy fixation on Special Counsel Robert Mueller and, through unflinching self-reflection and psychological excavation, unearths some glittering truths that light up the road ahead. Thrillingly honest, insightful, and deeply, darkly funny, Chelsea Handler's memoir keeps readers laughing, even as it inspires us to look within and ask ourselves what really matters in our own lives. Praise for Life Will Be the Death of Me “You thought you knew Chelsea Handler—and she thought she knew herself—but in her new book, she discovers that true progress lies in the direction we haven't been.”—Gloria Steinem “I always wondered what it would be like to watch Chelsea Handler in session with her therapist. Now I know.”—Ellen DeGeneres “I love this book not just because it made me laugh or because I learned that I feel the same way about certain people in politics as Chelsea does. I love this book because I feel like I finally really got to know Chelsea Handler after all these years. Thank you for sharing, Chelsea!”—Tiffany Haddish

*Texas Monthly* 1984-10 Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.

**Robert Whitman** Robert Whitman 2003 One of the pioneers of performance and multimedia work, constantly cited as key to the burgeoning postwar genres now considered standard fare in art galleries and museums, Robert Whitman's work of the 1960s and 1970s has long been inaccessible because of its ephemeral nature. This publication and the exhibition it accompanies are the first to reexamine his seminal early work, begun under the influence of Allan Kaprow in the late 1950s. Early performances, in conjunction with fellow artists Jim Dine and Claes Oldenburg,

paralleled exhibitions in some of the more influential experimental galleries of the time, including Hansa, Reuben and Martha Jackson. The 1960s saw Whitman become highly interested in multimedia projections, which he incorporated into installations as well as into his increasingly elaborate performances. Together with Robert Rauschenberg, Billy Klüver and others, Whitman later spearheaded the collaborations between artists and scientists that resulted in such landmark exhibitions as *Art & Technology*, at the Los Angeles County Museum of Art in 1971 and *Pavillion (E.A.T.)*, at the Pepsi pavillion, Expo 70, in Osaka, Japan. An incisive volume for artists and scholars interested in the major movements of the

1960s and 1970s, including happenings, performance, theater, pop art, multimedia installation work and interdisciplinary collaboration.
