Education and National Development - Ingemar Faegerlind 2016-06-03

Education and National Development: A Comparative Perspective discusses the correlation between education and national development. The book is comprised of nine chapters that cover several concerns regarding the subject matter, such as the theoretical underpinning, dimensions, policies, and practice. The first chapter discusses the origins of modern development thought, while the second chapter talks about how formal schooling can serve as an "agent of change". Chapters 3, 4, and 5 cover the various dimension development, which are economic growth, employment, quality of life, and political system. Chapter 6 discusses strategies for educational reform, while Chapter 7 deals with the evaluation of development policy. The eighth chapter provides a comparative discourse about education and development under capitalism and socialism. Chapter 9 talks about education, the state, and development. The book will be of great interest to readers concerned about how education correlates with national development.

The Autumn of the Ace - Louis de Bernières 2020-11-05

'De Bernieres is a singular, cherishable voice' Mail on Sunday From the master of historical fiction, this book follows an unforgettable family after the Second World War. Some bonds are hard to break... Daniel Pitt was an RAF fighter in the First World War and an espionage agent for the SOE in the Second. Now the conflicts he faces are closer to home. Daniel's marriage has fractured beyond repair and Daniel's relationship with his son, Bertie, has been a failure since Bertie was a small boy. But after his brother Archie's death, Daniel is keen for new perspectives. He first travels to Peshawar to bury Archie in the place he loved best, and then finds himself in Canada, avoiding his family and friends back in England. Daniel and Bertie's different experiences of war, although devastating, also bring with them the opportunity for the two to

reconnect. If only they can find a way to move on from the past...

Comparative Higher Education - Philip G. Altbach 1998

Higher education is increasingly international. The issues that affect universities in one country are important globally. There are a myriad of links among academic systems worldwide. Comparative Higher Education is the first book to systematically explore many of the most important implications of the globalization of higher education. It explores the links among universities, including foreign students and scholars, the impact of the Western higher education idea on universities throughout the world, and especially the current importance of American academic ideas worldwide, and the patterns of inequality among academic systems. Teachers and students are at the heart of the academic systems. Comparative Higher Education focuses on professors and students-especially the political involvement of both professors and students-and seeks to understand their roles in a comparative framework. The book concludes with a discussion of higher education development in the newly industrializing countries. These Pacific Rim nations are examples of how higher education has been used in the process of development. Comparative Higher Education reflects more than three decades of research in the field, and places key elements in the globalization of higher education in a useful framework. Worldwide examples are used to illustrate analyses of such key topics as international exchange, future trends in university development, the complex relationships among academic systems in the industrialized and developing countries, and related issues.

The Only Guide to Alternative Investments You'll Ever Need - Larry

E. Swedroe 2010-05-13

The rewards of carefully chosen alternative investments can be great. But many investors don't know enough about unfamiliar investments to make wise choices. For that reason, financial advisers Larry Swedroe and Jared Kizer designed this book to bring investors up to speed on the

twenty most popular alternative investments: Real estate, Inflation-protected securities, Commodities, International equities, Fixed annuities, Stable-value funds, High-yield (junk) bonds, Private equity (venture capital), Covered calls, Socially responsible mutual funds, Precious metals equities, Preferred stocks, Convertible bonds, Emerging market bonds, Hedge funds, Leveraged buyouts, Variable annuities, Equity-indexed annuities, Structured investment products, Leveraged funds The authors describe how the investments work, the pros and cons of each, which to consider, which to avoid, and how to get started. Swedroe and Kizer evaluate each investment in terms of: Expected returns Volatility Distribution of returns Diversification potential Fees Trading and operating expenses Liquidity Tax efficiency Account location Role in an asset-allocation program Any investor who is considering or just curious about investment opportunities outside the traditional world of stocks, bonds, and bank certificates of deposit would be well-advised to read this book.

[The Vatican Conspiracy](#) - Peter Hogenkamp 2020-10-20

"Wow... So many twists and turns that keep you guessing... Captures your attention and doesn't let go till the end." TB Honest, [Goodreads Reviewer](#), [Goodreads Reviewer](#) "A deadly attack on the Vatican City reveals an even deadlier conspiracy within its walls... When Marco Venetti left the military, he thought his days of violence were behind him. But now a beautiful woman is begging for his help. Her daughter has been kidnapped to force her to smuggle a gang of killers into the country. If she disobeys, her family will die. Determined to protect her, Marco goes on the hunt. But after a terrifying battle on a rocky island off the Italian coast, he finds a map on one of the men's bodies that reveals their ultimate goal: a deadly terrorist attack on the Vatican City itself. Marco races to prevent a bloodbath in the heart of Rome, but the terrorists are more dangerous than he knew. A nuclear weapon is missing, and the CIA, Russians and Israelis are too busy fighting to prevent it falling into the wrong hands. The only person Marco can trust is himself. He must track down and kill his enemy... but the Vatican is home to secrets and conspiracies, and soon Marco realises he may not even know who the real enemy is. Can he uncover a traitor before time runs out? For fans of Joel C. Rosenberg, Tom Clancy and Steven Konkoly, The Vatican Conspiracy is a non-stop explosive thriller of betrayal, revenge and world-shaking conspiracy. See what readers are saying about The Vatican Conspiracy: "An outstanding start to this series!... Grabs you on the first page and is powered by non-stop action and a taut, emotional narrative... [DP Reads](#), [Goodreads Reviewer](#) "A fast-paced action thriller with a lot of twists and turns that keeps you on the edge of your seat until the very end... The main character Marco is amazing!... Eagerly waiting for the next book!" [Goodreads Reviewer](#) "Great action-packed novel... Pulled me in from the first page. There was so much action... I highly recommend" [Just Read Jess](#), [Goodreads Reviewer](#) "If you're a fan of Dan Brown and Steve Berry, you do not want to miss this new series... Kept me hooked; the action never completely let up." [Fireflies & Freekicks](#) "Fantastic... A blistering read that won't disappoint." [Goodreads Reviewer](#), [Goodreads Reviewer](#) "Relentless action, a gripping storyline... Promises to be a terrific series." [Goodreads Reviewer](#) "Fast paced, action packed, adrenaline inducing." [Sharon Beyond the Books](#), [Goodreads Reviewer](#) "If you are in need of excitement—and who isn't given the lack of travel and parties etc? then you need to read this book. You will be breathless from all the running, and you don't even need to get out of bed. There are so many twists and turns you could get whiplash, but it would be worth it to reach the end of this wild ride." [Mrs Average Evaluates](#)

[Ford Madox Ford and the Misfit Moderns](#) - R. Hawkes 2012-01-01

Ford Madox Ford is a major modernist writer, yet many of his works do not conform to our assumptions about modernism. Examining ways in which he, alongside other 'misfit moderns', undermines 'stabilities' we

expect from novels and memoirs, this book poses questions about the nature of narrative and the distinction between modernism and modernity.

[Foyle's Philavery](#) - Christopher Foyle 2007

The word 'philavery' was specially invented to describe this book - a collection of words chosen simply on the grounds of their aesthetic appeal. Some of these words appeal because of their aptness, some for their obscurity, some for their euphony, and some for their quirkiness. As a collection they will be a delight to all word lovers.

[El Patólogo. Parte I: Memento Mori](#) - Max Kroennen 2021-10-06

A los doce años, Nicholas Goering sobrevivió milagrosamente a un disparo en la cabeza perpetrado por su propio padre, después de que este matara a su madre y se suicidara sin motivo aparente. Veinticinco años más tarde, ahora convertido en un referente de la Patología Forense en el prestigioso hospital de la ciudad sajona de Heimstadt, el misántropo doctor tendrá que lidiar con el caso más extraño de su carrera: el cuerpo de su padre ha aparecido en perfecto estado de conservación colgado como en el día de su muerte y le han colocado los órganos internos de distintas personas. El recientemente ascendido y temperamental detective Matías Vandergelb, quien desprecia al patólogo, y la ambiciosa psiquiatra Angélica Grunnwald, quien, por el contrario, está obsesionada con él, serán los encargados de intentar resolver el rompecabezas humano en una carrera contrarreloj. Memento Mori es la primera entrega de la trilogía.

[How to Write an Exceptional Thesis Or Dissertation](#) - J. S. Graustein 2014-06-30

According to the Council of Graduate Schools, only 57 percent of students who start their Ph.D.s complete them within ten years, and many times it's the thesis or dissertation that is holding them back. In this book, you will gain insight regarding the entire research process, from organizing your literature and materials most effectively to analyzing and evaluating the big picture for defense. You will learn how to locate and recognize a topic that is appropriate for your thesis or dissertation, and you will discover how to expand on the subject matter to ensure it's unique and distinct from any other research out there. This book will ensure that your argument is strong, sound, and persuasive throughout your entire thesis or dissertation, from the introductory chapter through the summarizing conclusive statements, and you will learn how to do so without plagiarizing or cutting corners. You will master how to write ethically, objectively, and properly according to your academic subject's standards. With this book as your guide, you will even find out how your research can take you from a proposal to a published writing career. With this book, you will learn everything from the ground-level basics to the more detailed breakdown of the research process. You will gain a strong understanding of the difference between a thesis and dissertation, and you will grasp the components expected of your work regardless of the subject matter of your research. This book will walk you through the entire process step-by-step, teaching you how to structure a planning and writing schedule that will keep the process manageable and not overwhelming.
