In *Monsters On The Prowl*, it's the Hulk, the Thing, Giant-Man and the Beast vs. a tidal wave of the most terrible monsters of the Marvel Universe! The Collector has inadvertently unleashed classic creatures Droom, Grogg, Goom, Rombuu, Grattu and more on New York City! Can our heroes save the day and have fun doing it? In *Devil Dinosaur*, two young Celestials get into a debate about who the superior life form is on prehistoric Earth - the Small Folk or the Killer Folk. But when the ferocity of Devil Dinosaur proves no match for the savage Killer Folk, a savage from the future is brought back to even the odds. In *Fin Fang Four*, four giant monsters - incarcerated for years for their crimes against humanity - now find themselves shrunk to human size and working at the home of the very people who captured them: the Fantastic Four! But when Goom's mad plan to rescue his father goes awry, the quartet must put aside their differences and become - the Fin Fang Four! And in *Where Monsters Dwell*, take a time machine back to the age of classic monsters in this incredible special featuring three new tales of magnificent creatures, aliens and beasts. Witness the terror of Monstrollo, the horror of Manoo and the fright of Bombu! Also reprinting four classic monster tales from the 1950s! Collects *Marvel Monsters: Devil Dinosaur, Fin Fang Four, Monsters on the Prowl* and *Where Monsters Dwell*.

Destroyer of Worlds - Larry Correia 2020-09-01

IF IT'S WAR YOU WANT . . . The best of military epic fantasy as the bestselling *Saga of the Forgotten Warrior* series continues. The Great Extermination has begun. In the Capitol, Grand Inquisitor Omand Vokkan hatches a plot to kill every member of the untouchable caste in all of Lok, down to the last man, woman, and child. As a member of the Order of Inquisition, Vokkan has no official say in the creation of Law, but he has powerful allies willing to do his bidding. Through them, he has convinced the Judges that the genocide will be swift, complete, and without complication. Nothing is farther from the truth. Lord Protector Devedas has sworn to uphold the Law. Once, he and the traitor Ashok Vadal had been like brothers. Now, he hunts Vadal and the Sons of the Black Sword, heretics and rebels who seek to live outside the rule of the Law. All Devedas must do is find and kill his best friend and order will be restored to Lok. The rebels seek the secret kingdom spoken of by the Prophet Thera, a paradise where water is pure and food plentiful, where there are no castes, where the people rule themselves, and are not slaves to the Capitol. Ashok Vadal is not sure he believes in such a Paradise, but he—along with his allies—does seek refuge in the rebellion's hideout in Akershan. But Vadal, a former High Protector who has turned his back on the corrupt Law, will not merely wait meekly, hoping that fleeing to Akershan will spare the rebellion from the clutches of the Great Extermination. No, if it's a war the Capitol wants, Vadal, who has faced down gods and demons, will be all too willing to give it to them. About *House of Assassins*: "Correia piles on the intrigue, action, and cliffhangers in the invigorating second *Saga of the Forgotten Warrior* epic fantasy. . . . Correia also weaves in elements that question the value of belief and the cost of giving authority to those who find more profit in preying on the weak. . . . Brisk fight scenes, lively characters, and plenty of black humor continue to make this series a real pleasure."—*Publishers Weekly* About prequel *Son of the Black Sword*: "This book has everything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow."—Jim Butcher, creator of the *New*

York Times best-selling *Dresden Files* "Best-selling fantasy author Correia casts a compelling spell with this India-influenced series opener. . . . Correia skillfully sets in motion this story of plots within plots, revealing complex, sympathetic characters and black-hearted villains with equal detail and insight. Full of action, intrigue, and wry humor, this exciting series launch promises many more thrills to come."—*Publishers Weekly* (starred review) "Fans who like Correia's fast-moving style will be pleased with the plethora of action scenes, and epic fantasy readers interested in delving into a new universe should be equally satisfied. A solid choice for admirers of Brent Weeks and Brandon Sanderson's *Mistborn* series."—*Library Journal* "Correia is, above all, a storyteller, and he weaves a unique and entertaining tale. Without question, his action sequences pop on the page, his magic system has a nice wrinkle, and he has the foundations laid out for some excellent character growth as the series continues . . . [A] definite hit."—*Bookreporter* "The lore here is fascinating and well told. I enjoyed learning the history of the world and the legend of Ramrowan. The politics are just complicated enough to feel real without being too difficult to follow. Where the book truly shines, however, is in the characters. All are well drawn and distinctively voiced."—*SFCrowsnest* "I loved the book, it was great, fast paced, with wonderful characters, and also a lot of wonderful scenes that screamed to be painted."—Larry Elmore, legendary, award-winning artist, and cover artist for *Son of the Black Sword*. "Son of the Black Sword: *Saga of the Forgotten Warrior* tells of what happens after the war with the gods, when demons were cast out and fell to the world to nearly destroy these unstoppable beasts until the gods sent a hero to save them. Centuries have passed since this event and the people have regulated these events to legend. One Ashok has been chosen to be a protector with a powerful weapon in hand, uncovering those who still practice old ways and are potential dangers to the order—but when he discovers all his efforts have been based on a lie, everything's about to change. A powerful epic fantasy evolves into a solid, compelling read."—*Midwest Book Review* About the *Urban Fantasy of Larry Correia*: "[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to read."—*Bookreporter.com* "A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books] . . . The plotting is excellent, and Correia makes you care about the characters . . . I read both books without putting them down except for work . . . so whaddaya waitin' for? Go and buy some . . . for yourself and for stocking stuffers."—Massad Ayoob "This lighthearted, testosterone-soaked sequel to 2009's *Monster Hunter International* will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts."—*Publishers Weekly* on *Monster Hunter Vendetta*

IN A BUSINESS LIKE MONSTER HUNTING, IT'S ALL ABOUT SETTING PRIORITIES The chaos god Asag has been quiet since the destruction of the City of Monsters, but *Monster Hunter International* know that he is still out there, somewhere—plotting, waiting for his chance to unravel reality. When Owen and the MHI team discover that one of Isaac Newton's Ward Stones is being auctioned off by Reptoids who live deep beneath Atlanta, they decide to steal the magical superweapon and use it to destroy Asag once and for all. But before the stone can be handed off, it is stolen by a mysterious thief with ties to MHI and the Vatican's Secret Guard. It's a race against time, the Secret Guard, a spectral bounty hunter, and a whole bunch of monsters to acquire the Ward Stone and use it against Asag. For as dangerous as the chaos god is,

there is something much older—and infinitely more evil—awakening deep in the jungles of South America. At the publisher's request, this title is sold without DRM (Digital Rights Management). #5 in multiple New York Times bestseller Larry Correia's *Monster Hunter* series. Agent Franks of the U.S. Monster Control Bureau is a man of many parts—parts from other people, that is. Franks is nearly seven feet tall and all muscle. He's nearly indestructible. Plus he's animated by a powerful alchemical substance and inhabited by a super-intelligent spirit more ancient than humanity itself. Good thing he's on our side. Sworn to serve and protect the United States of America from all monsters by one of the country's founding fathers, Franks has only one condition to the agreement: no matter what the government learns of him, no matter what is discovered concerning his odd physiology or the alchemy behind the elixir that made him, the government is never, ever allowed to try and make more like him. Such is absolutely forbidden and should the powers-that-be do so, then the agreement is null and void. *Project Nemesis*: in a secret location, using sophisticated technology and advanced genetic engineering, the director of the very agency Franks works for is making more like him. And the director is not content with making one. Nope, he's making thirteen. Now all bets are off, and Hell hath no fury like a monster betrayed. Particularly if that monster happens to be an undying killing machine capable of taking out vampires and werewolves with one swat. THRILLING SCIENCE FICTION ADVENTURE FROM BEST-SELLING AUTHORS LARRY CORREIA AND JOHN BROWN The Heart of a Warrior Once, Jackson Rook was a war hero. Raised from boyhood to pilot an exosuit mech, he'd fought gallantly for the rebellion against the Collectivists. But that was a long time ago, on a world very far away. Now, Jackson Rook is a criminal, a smuggler on board the Multipurpose Supply Vehicle Tar Heel. His latest mission: steal a top-of-the-line mech called the Citadel and deliver it to the far-flung planet Swindle, a world so hostile even the air will kill you. The client: a man known only as the Warlord. Rook has been in the smuggling business long enough to know that it's best to take the money and not ask questions. But Rook cannot stand by and watch as the Warlord runs roughshod over the citizens of Swindle, the way the Collectivists did on his homeworld. For all his mercenary ways, Rook is not a pirate. And deep within the smuggler, the heart of a warrior still beats. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Monster Hunter Siege - Larry Correia 2018-04-24

#6 in multiple New York Times bestseller Larry Correia's *Monster Hunter* series. GO BIG OR GO HOME When *Monster Hunter International*'s top hunter, Owen Zastava Pitt, was given a tip about some hunters who had gone missing in action, he didn't realize their rescue mission would snowball into the single biggest operation in MHI's history. Their men are being held prisoner in a horrific nightmare dimension, and the only way to reach them is through the radioactive ruins of a monster-infested war zone. As if that wasn't bad enough, it's also the home base of the powerful creature behind the devastating attacks on the Last Dragon and Copper Lake. It turns out ancient gods of chaos really hate trespassers. But this god picked a fight with the wrong crew, and now MHI wants payback. Calling on their allies, a massive expedition is formed, and with the odds stacked against them, a legion of hunters goes to war. It's D-Day at the City of Monsters. About: *Monster Hunter Siege*: "Correia's latest slugfest between men and demons covers all the bases: heavy-duty weaponry, slick military banter, humor, tough evil dudes, and a strong-jawed hero who's ready to save the world."—Publishers Weekly About Larry Correia's *Monster Hunter* series: "...once it grabs a hold of you it can be a tough fight to put [it] down." -iGeekOut "[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to

Monster Hunter International, Second Edition - Larry Correia 2015-05-13

Contains an all-new afterword by New York Times best-selling author Larry Correia! Welcome to Monster Hunter International. Five days after Owen Zastava Pitt pushed his insufferable boss out of a fourteenth story window, he woke up in the hospital with a scarred face, an unbelievable memory, and a job offer. It turns out that monsters are real. All the things from myth, legend, and B-movies are out there, waiting in the shadows. Officially secret, some of them are evil, and some are just hungry. On the other side are the people who kill monsters for a living. Monster Hunter International is the premier eradication company in the business. And now Owen is their newest recruit. It's actually a pretty sweet gig, except for one little problem. An ancient entity known as the Cursed One has returned to settle a centuries old vendetta. Should the Cursed One succeed, it means the end of the world, and MHI is the only thing standing in his way. With the clock ticking towards Armageddon, Owen finds himself trapped between legions of undead minions, belligerent federal agents, a cryptic ghost who has taken up residence inside his head, and the cursed family of the woman he loves. Business is good . . . At the publisher's request, this title is sold without DRM (Digital Rights Management). Lexile Score: 710

NEW ENTRY IN THE BESTSELLING MONSTER HUNTER INTERNATIONAL SERIES BY DRAGON AWARD-WINNING AUTHORS LARRY CORREIA AND SARAH A. HOYT When Owen Pitt and the rest of the Monster Hunter International crew are called away to mount a month’s-long rescue mission in a monster-infested nightmare dimension, Julie Shackelford—Owen’s wife and descendant of MHI founder Bubba Shackelford—is left behind. Her task: hold down the fort and take care of her new baby son Ray. Julie’s devoted to the little guy, but the slow pace of office work and maternity leave are starting to get to her. But when a routine field call brings her face-to-face with an unspeakable evil calling itself Brother Death, she’ll get more excitement than she ever hoped for. Julie is the Guardian of a powerful ancient artifact known as the Kamaresh Yar, and Brother Death wants it. In the wrong hands, it could destroy reality as we know it. Julie would die before giving it up. Then Ray goes missing, taken by Brother Death. The price for his safe return: the Kamaresh Yar. If Julie doesn’t hand over the artifact it means death—or worse—for baby Ray. With no other choice left to her, Julie agrees to Brother Death’s demands. But when you’re dealing with an

ancient evil, the devil is in the details. To reclaim her son, Julie Shackelford will have to fight her way through necromantic death cults, child-stealing monsters, and worse. And she’ll have to do it all before Brother Death can unleash the Kamaresh Yar. It’s one woman against an army of monsters. But Julie Shackelford is no ordinary woman—she’s one tough mother! Monster Hunter Vendetta - Larry Correia 2010-10-01

Accountant turned professional monster hunter, Owen Zastava Pitt, managed to stop the nefarious Old One’s invasion plans last year, but as a result made an enemy out of one of the most powerful beings in the universe. Now an evil death cult known as the Church of the Temporary Mortal Condition wants to capture Owen in order to gain the favor of the great Old Ones. The Condition is led by a fanatical necromancer known as the Shadow Man. The government wants to capture the Shadow Man and has assigned the enigmatic Agent Franks to be Owen’s full time bodyguard, which is a polite way of saying that Owen is monster bait. With supernatural assassins targeting his family, a spy in their midst, and horrific beasts lurking around every corner, Owen and the staff of Monster Hunter International don’t need to go hunting, because this time the monsters are hunting them. Fortunately, this bait is armed and very dangerous... At the publisher's request, this title is sold without DRM (Digital Rights Management). It's a demon-eat-demon world for Nick Gautier. Just when he thinks he's finally gotten a handle on how not to take over the world and destroy it, Death returns with an all-star cast that is determined to end the Malachai reign and lineage forever. Worse? Death and War have found the one, true enemy Nick can't find, and even if he did, it's one he could never bring himself to banish or kill. Now framed for murders he hasn't committed, and surrounded by new friends who might be turncoats, Nick is learning fast how his father went down in flames. The heat in New Orleans is rising fast, and Nick's threat level has gone into a whole new level of intensity. He's learning fast that when War and Death decide to battle, they don't take prisoners. They don't negotiate. And they're both immune to his biting sarcasm and Cajun charm. To win this, he will have to embrace a new set of powers, but one wrong step and he will belong to the side of Darkness, forever. Praise for Chronicles of Nick: "Illusion [is] another great story. The humour [is] spot on... great balance between action and storytelling." - Total Book Geek on Illusion "[Chock] full of action, suspense, emotion, Nick's perfectly timed humour and sarcasm, friends coming together to help one another, danger and peril at every turn, and of course Kenyon's brilliant world-building, character creations, and imagination that make you forget you are reading a work of fiction." -The Reading Café on

Blood Meridian - Cormac McCarthy 2010-08-11

25th ANNIVERSARY EDITION • An epic novel of the violence and depravity that attended America's westward expansion, Blood Meridian brilliantly subverts the conventions of the Western novel and the mythology of the Wild West—from the bestselling, Pulitzer Prize-winning author of The Road Based on historical events that took place on the Texas-Mexico border in the 1850s, it traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's new novel, The Passenger.

Monster Hunter Alpha - Larry Correia 2011-07-26

#3 in the break-out, best-selling Monster Hunter series. Earl Harbinger, head of Monster Hunter International, faces down an old nemesis -- a very nasty former KGB werewolf who is working to create a new, unstoppable breed. Dirty Harry meets Twilight. #3 in the break-out series and a follow-up to Monster Hunter International and Monster Hunter Vendetta. Earl Harbinger may be the leader of Monster Hunter International, but he's also got a secret. Nearly a century ago, Earl was cursed to be werewolf. When Earl receives word that one of his oldest foes, a legendarily vicious werewolf that worked for the KGB, has mysteriously appeared in the remote woods of Michigan, he decides to take care of some unfinished business. But another force is working to bring about the creation of a whole new species of werewolf. When darkness falls, the final hunt begins, and the only thing standing in their way is a handful of locals, a lot of firepower, and Earl Harbinger's stubborn refusal to roll over and play dead. Here's a sample of Larry Correia's prose punch from series opener, Monster Hunter International: "I didn't wake up that morning and decide that I was going to kill my boss with my bare hands. It was much more complicated than that." NEW SCIENCE FICTION, URBAN FANTASY, AND MYSTERY STORIES WITH A NOIR THEME FROM BEST-SELLING AUTHORS LAURELL K. HAMILTON delivering an Anita Blake series story, LARRY CORREIA, penning a Grimnoir series adventure, an original Honor Harrington series tale from DAVID WEBER, AND MORE. The silky note of a saxophone. The echoes of a woman's high heels down a deserted asphalt street. Steam rising from city vents to cloud the street-lit air. A man with a gun. A dame with a problem . . . NOIR. From the pulpy pages of Black Mask Magazine in the 1920s and 30s, through the film noir era of the 1940s, to today, noir fiction has lured many a reader and movie-goer away from the light and into the dark underbelly of society. Names such as Raymond Chandler, Dashiell Hammett, and James M. Cain; titles like The Big Sleep, The Maltese Falcon, The Postman Always Rings Twice . . . these have inhabited our collective consciousness for decades. Humanity, it seems, loves the dark. And within the dark, one figure stands out: that of the femme fatale. Here then, Noir Fatale an anthology containing the full spectrum of noir fiction, each incorporating the compelling femme fatale character archetype. From straightforward hardboiled detective story to dark urban fantasy to the dirty secrets of futuristic science fiction—all with a hard, gritty feel. As Raymond Chandler said, "Down these mean streets, a man must walk who is not himself mean, who is neither tarnished nor afraid." Because, as these stories prove, doing the right thing doesn't necessarily mean you get the big bucks or the girl. But you do the right thing anyway. Born of Fire - Sherrilyn Kenyon 2009-11-03

In a universe where assassins make the law, everyone lives in fear—except for Syn. Born of an illicit scandal that once rocked a dynasty, he always knew how to survive on the bloodthirsty streets. But that was then, and the future is now... Syn was raised as a tech-thief until his livelihood uncovered a truth that could end his life. He tried to destroy the evidence, and has been on the run ever since. Now trained as an assassin, he allows no one to threaten him. Ever. He is the darkness that swallows his enemies whole. Shahara Dagan is the best bounty hunter in the universe. When Syn comes back on the radar, she's the only one who

can bring him to justice. There's only one problem: Syn is a close family friend who's helped out the Dagens countless times. But if she saves him, both of their lives will be on the line. Is Syn's protection worth the risk? The only hope Shahara has is to find the evidence he buried long ago. Now it's kill or be killed—and they, the predators, have just become the hunted... *Born of Fire* is the second book in bestselling author Sherrilyn Kenyon's *League* series.

World of Warcraft: Stormrage - Richard A. Knaak 2010-02-23

When the world of Azeroth was young, the god-like titans brought order to it by reshaping its lands and seas. Throughout their great work, they followed a magnificent design for what they envisioned Azeroth would become. Although the titans departed Azeroth long ago, that design endures to this day. It is known as the Emerald Dream, a lush and savagely primal version of the... **WORLD OF WARCRAFT** Many are the mysteries surrounding the Emerald Dream and its reclusive guardians, the green dragonflight. In times past, druids have entered the Dream to monitor the ebb and flow of life on Azeroth in their never-ending quest to maintain the delicate balance of nature. However, not all dreams are pleasant ones. Recently the Emerald Nightmare, an area of corruption within the Emerald Dream, began growing in size, transforming the Dream into a realm of unimaginable horror. Green dragons have been unexpectedly caught up in the Nightmare, emerging from it with shattered minds and twisted bodies. Druids who have entered the darkening Dream lately have found it difficult -- sometimes even impossible -- to escape. Nor are these the Nightmare's only victims: more and more people are being affected. Even Malfurion Stormrage, first and foremost of the druids on Azeroth, may have fallen victim to this growing threat. As uncontrollable nightmares spread across the world, a desperate quest begins to find and free the archdruid. Soon nature's enemies will learn the true meaning of the name **STORMRAGE**

Monster Hunter Vendetta Signed Leatherbound Edition - Larry Correia 2017-04-04

A SPECIAL SIGNED AND EMBOSSED LEATHERBOUND EDITION OF BOOK TWO IN THE NEW YORK TIMES BEST-SELLING MONSTER HUNTER INTERNATIONAL SERIES. Owen Zastava Pitt, accountant turned professional monster hunter, managed to stop the nefarious Old One's invasion plans last year, but as a result made an enemy out of one of the most powerful beings in the universe. Now an evil death cult known as the Church of the Temporary Mortal Condition wants to capture Owen in order to gain the favor of the great Old Ones. The Condition is led by a fanatical necromancer known as the Shadow Man. The government wants to capture the Shadow Man and has assigned the enigmatic Agent Franks to be Owen's full time bodyguard, which is a polite way of saying that Owen is monster bait. With supernatural assassins targeting his family, a spy in their midst, and horrific beasties lurking around every corner, Owen and the staff of *Monster Hunter International* don't need to go hunting, because this time the monsters are hunting them. Fortunately, this bait is armed and very dangerous. Monster Hunter Memoirs: Saints - Larry Correia 2018-07-03

The No-Holds-Barred Final Entry in the *Monster Hunter Memoirs* Series from New York Times best-selling authors Larry Correia and John Ringo. "This is New Orleans." That mantra had rung in Chad Gadenier's ears since his first day working in the Big Easy. Everything was different in New Orleans. The food. The climate. The monsters. Even the shadowy and reprehensible MCB was different. But that's just the beginning. The real reason New Orleans is so different is a larval Great Old One growing day by day in power and just about ready to pop. If Chad can't convince "the powers that be" to get involved not only New Orleans but the entire world is going to fall under the power of the nastiest of nasties. Now on the outs with the US Government and in exile from his usual job of saving the world, Chad must rally the forces of light against the coming darkness. The problem is one guy with a sword and a sub-gun isn't going to solve this one. Fortunately, Chad's made a few friends over the years. And the Fey hate Old Ones as much as God's people, and they're not about to give up this world without a fight. If the Saints don't come marching in on this one . . . there won't be a Final Battle. There will be a final massacre. Now, where'd he put that number for the ditzy fey princess . . . ? At the publisher's request, this title is sold without DRM (Digital Rights Management). Monster Hunter Nemesis - Larry Correia 2014-06-16

#5 in multiple New York Times bestseller Larry Correia’s Monster Hunter series. Agent Franks of the U.S. Monster Control Bureau is a man of many parts¾parts from other people, that is. Franks is nearly seven feet tall and all muscle. He’s nearly indestructible. Plus he’s animated by a powerful alchemical substance and inhabited by a super-intelligent spirit more ancient than humanity itself. Good thing he’s on our side. More or less. Sworn to serve and protect the United States of America from all monsters by one of the country’s founding fathers, Franks has only one condition to the agreement: no matter what the government learns of him, no matter what is discovered concerning his odd physiology or the alchemy behind the elixir that made him, the government is never, ever allowed to try and make more like him. Such is absolutely forbidden and should the powers-that-be do so, then the agreement is null and void. Project Nemesis: in a secret location, using sophisticated technology and advanced genetic engineering, the director of the very agency Franks works for is making more like him. And the director is not content with making one. Nope, he’s making thirteen. Now all bets are off, and Hell hath no fury like a monster betrayed. Particularly if that monster happens to be an undying killing machine capable of taking out vampires and werewolves with one hand tied behind his back. At the publisher’s request, this title is sold without DRM (Digital Rights Management). In this #1 New York Times bestseller, Nora Roberts takes readers deep into the rugged hills of South Dakota, where the shadows keep secrets, hunters stalk the land, and a friendship matures into something more.... Cooper Sullivan spent the summers of his youth on his grandparents’ South Dakota ranch, sharing innocent games and stolen kisses with the neighbor girl, Lil Chance. Now, twelve years after they last walked together hand in hand, fate has brought them back to the Black Hills. Though the memory of Coop’s touch still haunts her, Lil has let nothing stop her dream of opening the Chance Wildlife Refuge, but something—or someone—has been keeping a close watch. When small pranks and acts of destruction escalate into a heartless attack on Lil’s beloved cougar, memories of an unsolved murder have Coop

springing to action to keep Lil safe. Both of them know the natural dangers that lurk in the wild landscape of the Black Hills. But a killer of twisted and unnatural instincts has singled them out as prey....

Son of the Black Sword - Larry Correia 2016-09-06

#1 IN A NEW EPIC FANTASY SERIES from Monster Hunter series creator and "New York Times" best-selling author, Larry Correia! After the War of the Gods, the demons were cast out and fell to the world. Mankind was nearly eradicated by the seemingly unstoppable beasts, until the gods sent the great hero, Ramrowan, to save them. He united the tribes, gave them magic, and drove the demons into the sea. Ever since the land has belonged to man and the oceans have remained an uncrossable hell, leaving the continent of Lok isolated. It was prophesized that someday the demons would return, and only the descendants of Ramrowan would be able to defeat them. They became the first kings, and all men served those who were their only hope for survival. As centuries passed, the descendants of the great hero grew in number and power. They became tyrannical and cruel, and their religion nothing but an excuse for greed. Gods and demons became myth and legend, and the people no longer believed. The castes created to serve the Sons of Ramrowan rose up and destroyed their rulers. All religion was banned and replaced by a code of unflinching law. The surviving royalty and their priests were made casteless, condemned to live as untouchables, and the Age of Law began. Ashok Vadal has been chosen by a powerful ancient weapon to be its bearer. He is a Protector, member of an elite militant order of roving law enforcers. No one is more merciless in rooting out those who secretly practice the old ways. Everything is black or white, good or evil, until he discovers his entire life is a fraud. Ashok isn't who he thinks he is, and when he finds himself on the wrong side of the law, the consequences lead to rebellion, war and destruction. About "Son of the Black Sword: " "This book has everything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow." Jim Butcher, creator of the "New York Times" best-selling Dresden Files "Best-selling fantasy author Correia casts a compelling spell with this India-influenced series opener. . . . Correia skillfully sets in motion this story of plots within plots, revealing complex, sympathetic characters and black-hearted villains with equal detail and insight. Full of action, intrigue, and wry humor, this exciting series launch promises many more thrills to come." "Publishers Weekly" (starred review) "Fans who like Correia's fast-moving style will be pleased with the plethora of action scenes, and epic fantasy readers interested in delving into a new universe should be equally satisfied. A solid choice for admirers of Brent Weeks and Brandon Sanderson's Mistborn series." "Library Journal" "Correia is, above all, a storyteller, and he weaves a unique and entertaining tale. Without question, his action sequences pop on the page, his magic system has a nice wrinkle, and he has the foundations laid out for some excellent character growth as the series continues. . . . [A] definite hit." "Bookreporter" "The lore here is fascinating and well told. I enjoyed learning the history of the world and the legend of Ramrowan. The politics are just complicated enough to feel real without being too difficult to follow. Where the book truly shines, however, is in the characters. All are well drawn and distinctively voiced."

"SFCrownsnest" I loved the book, it was great, fast paced, with wonderful characters, and also a lot of wonderful scenes that screamed to be painted. Warbound - Larry Correia 2013-08-15

Gritty urban fantasy adventure set in an alternate noir 1930s, Book Three in the Grimnoir chronicles. Only a handful of people in the world know that mankind's magic comes from a living creature, and it is a

refugee from another universe. The Power showed up here in the 1850s because it was running from something. Now it is 1933, and the Power's hiding place has been discovered by a killer. It is a predator that eats magic and leaves destroyed worlds in its wake. Earth is next. Former private eye, Jake Sullivan, knows the score. The problem is hardly anyone believes him. The world's most capable Active, Faye Vierra, could back him up, but she is hiding from the forces that think she is too dangerous to let live. So Jake has put together a ragtag crew of airship pirates and Grimnoir knights, and set out on a suicide mission to stop the predator before it is too late. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Hard Magic - Larry Correia 2012-04-24

#1 in the hard-hitting Grimnoir Chronicles by the New York Times best-selling creator of Monster Hunter International. Jake Sullivan is hardboiled private eye at war with evil magical powers in a dark and gritty urban fantasy that's a cross between the The Maltese Falcon and Twilight. Twilight meets The Maltese Falcon in the first entry of the hard-hitting Grimnoir Chronicles urban fantasy saga by the New York Times best-selling creator of Monster Hunter International. Magical creeps dispatched in heaps! Jake Sullivan is a war vet, a licensed private eye, and the possessor of a seriously hardboiled attitude. He also happens to have the magical ability to make anything in his vicinity light as a feather or as heavy as depleted uranium. While a range of enemies natural and supernatural wants him deep-sixed, Jake likes living, and his days in the trenches and his stint in the stir for manslaughter have only made him harder, leaner and meaner. The first entry in the new, hard-hitting Grimnoir Chronicles by the Larry Correia, breakout best-selling author of Monster Hunter International. About Larry Correia's Monster Hunter series "[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to read." -Bookreporter.com "If you love monsters and action, you'll love this book. If you love guns, you'll love this book. If you love fantasy, and especially horror fantasy, you'll love this book." -Knotclan.com "A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books]...The plotting is excellent, and Correia makes you care about the characters...I read both books without putting them down except for work...so whaddaya waitin' for? Go and buy some...for yourself and for stocking stuffers." -Massad Ayoob About Larry Correia's Monster Hunter Vendetta: "This lighthearted, testosterone-soaked sequel to 2009's Monster Hunter International will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts." -Publishers Weekly

Monster Hunter Nemesis - Larry Correia 2014-07-01

#5 in multiple New York Times bestseller Larry Correia's Monster Hunter series. Agent Franks of the U.S. Monster Control Bureau is a man of many parts—parts from other people, that is. Franks is nearly seven feet tall and all muscle. He's nearly indestructible. Plus he's animated by a powerful alchemical substance and inhabited by a super-intelligent spirit more ancient than humanity itself. Good thing he's on our side. More or less. Sworn to serve and protect the United States of America from all monsters by one of the country's founding fathers, Franks has only one condition to the agreement: no matter what the government learns of him, no matter what is discovered concerning his odd physiology or the alchemy behind the elixir that made him, the government is never, ever allowed to try and make more like him. Such is absolutely forbidden and should the powers-that-be do so, then the agreement is null and void. Project Nemesis: in a secret location, using sophisticated technology and advanced genetic engineering, the director of the very agency Franks works for is making more like him. And the director is not content with making one. Nope, he's making thirteen. Now all bets are off, and Hell hath no fury like a monster betrayed. Particularly if that monster happens to be an undying killing machine capable of taking out vampires and werewolves with one hand tied behind his back.
