Poems of Love & Life - Joseph W Svec III 2022-03-24

True love is real... Once upon a time, two youngsters, Joseph & Lidia, five years apart in age, met on a bus ride to a public speaking contest. They began talking about life, goals, dreams, poetry and more. Over time, their conversations grew into a strong friendship, despite their age difference. Years passed, and one day

they were blessed with realization that they had found their soulmates, and they got engaged to be married when Joseph graduated college. At the time of their engagement, they had not yet kissed, or even held hands for the first time. One year later, on the day of his graduation, two best friends and soulmates were married, and they never stopped courting. Over the years, for special occasions such as birthdays, anniversaries, and valentine's day, or to celebrate personal moments, Joseph, would write rhymed and metered love poems and life poems to his beautiful bride. The collection of poetry became a memoir, a window into their courtship over the years. As we approach our fiftieth wedding anniversary, we have gathered this collection into this book, *Poems of Love & Life: Our Courtship in Rhyme*, and we are happy to share it with you, the reader. If it happened to us, it can happen to you, at any time and at any age.

and still, am blessed to have seen so much.

Hope Is a Ferris Wheel - Robin Herrera 2014-03-11

Ten-year-old Star Mackie lives in a trailer park with her flaky mom and her melancholy older sister, Winter, whom Star idolizes. Moving to a new town has made it difficult for Star to make friends, when her classmates tease her because of where she lives and because of her layered blue hair. But when Star starts a poetry club, she develops a love of Emily Dickinson and, through Dickinson's poetry, learns some important lessons about herself and comes to terms with her hopes for the future. With an unforgettable voice with a lot of heart, *Hope Is a Ferris Wheel* is the story of a young girl who learns to accept her family and herself while trying to make sense of the world around her. Praise for *Hope Is a Ferris Wheel* STARRED REVIEW "Herrera's first novel is quite accomplished, with plenty of heart and humor, especially apparent in the spelling assignments Star has to complete but refuses to turn in, as she uses them as a sort of journal. Star is a unique, determined, and loving child making the best of a bad situation; readers cannot help but root for her." --School Library Journal, starred review "Well-constructed, thought-provoking and appealing, this first effort bodes well for the author's future." --Kirkus Reviews "In her debut, Herrera has created a delightful narrator with a memorable voice and surrounded her with a unique supporting cast. Got fans of Joan Bauer in your neck of the woods? Send them this way." --Booklist "A tender and truthful novel that addresses stereotypes without promising easy answers or cookie-cutter closure." --Publishers Weekly "First-time author Herrera, telling the story from Star's point of view, gives readers a front-row seat to all the embarrassment and angst of Star's jumbled life—and all of the triumphs. Here's hoping we hear more from this author." --The Horn Book Magazine "Star's contemplation, through poetic metaphors and real-life relationships, of what really matters in her life is compelling. Additionally, the poetry angle offers food for thought for those just coming to understand the power and purpose of metaphor, and Star's vocabulary assignments, occasionally interspersed between chapters, provide inspiration and entertainment for word-lovers." --Bulletin of the Center for Children's Books

The Kids - Hannah Lowe 2021

Hannah Lowe taught for a decade in an inner-city London sixth form. At the heart of this book of compassionate and energetic sonnets are 'The Kids', her students, the teenagers she nurtured. But the poems go further, meeting her own child self as she comes of age in the riotous 80s and 90s, later bearing witness to her small son learning to negotiate contemporary London. Across these deeply felt poems, Lowe interrogates the acts of teaching and learning with empathy and humour. Social class, gender and race - and their fundamental intersection with education - are investigated with an ever critical and introspective eye. The sonnet is re-energised, becoming a classroom, a memory box and even a mind itself as 'The Kids' learn and negotiate their own unknown futures. These boisterous and musical poems explore and explode the universal experience of what it is to be taught, and to teach, ultimately reaching out and speaking to the child in all of us. The poems in the first section of the book draw on Hannah Lowe's experiences as a teacher in the 2000s, but the scenarios are largely fictitious, as are the names of the students. *The Kids* is a

Poetry Book Society Choice.

But when he finds himself overwhelmed by the pontifications of an academic, he retreats to the great outdoors and does something as universal as the stars themselves... he dreams.
