**East of the Sun** - Julia Gregson 2009-06-02

From award winner Julia Gregson, author of *Jasmine Nights*, this sweeping international bestseller brilliantly captures the lives of three young women on their way to a new life in India during the 1920s. As the *Kaisar-I-Hind* weighs anchor for Bombay in the autumn of 1928, its passengers ponder their fate in a distant land. They are part of the "Fishing Fleet"—the name given to the legions of English women who sail to India each year in search of husbands, heedless of the life that awaits them. The inexperienced chaperone Viva Holloway has been entrusted to watch over three unsettling charges. There's Rose, as beautiful as she is naïve, who plans to marry a cavalry officer she has met a mere handful of times. Her bridesmaid, Victoria, is hell-bent on losing her virginity en route before finding a husband of her own. And shadowing them all is the malevolent presence of a disturbed schoolboy named Guy Glover. From the parties of the wealthy Bombay socialites to the poverty of Tamarind Street, from the sooty streets of London to the genteel conversation of the Bombay Yacht Club, *East of the Sun* takes us back to a world we hardly understand but yearn to know. This is a book that has it all: glorious detail, fascinating characters, and masterful storytelling.

**Faulks on Fiction (Includes 3 Vintage Classics): Great British Heroes and the Secret Life of the Novel** - Sebastian Faulks 2011-01-27

The publication of *Robinson Crusoe* in London in 1719 marked the arrival of a revolutionary art form: the novel. British writers were prominent in shaping the new type of storytelling - one which reflected the experiences of ordinary people, with characters in whom readers could find not only an escape, but a deeper understanding of their own lives. But the novel was more than just a reflection of British life. As Sebastian Faulks explains in this engaging literary and social history, it also helped invent the British. By focusing not on writers but on the people they gave us, Faulks not only celebrates the recently neglected act of novelistic creation but also shows how the most enduring fictional characters over the centuries have helped map the British psyche. In this ebook, Sebastian celebrates the greatest heroes in fiction - from Tom Jones to Sherlock Holmes. Also included are three classic novels: *Robinson Crusoe* by Daniel Defoe: The legendary story of a shipwreck on a desert island. *Vanity Fair* by William Makepeace Thackeray: The story of a young woman's spectacular rise and fall as she gambles, manipulates and seduces her way

through high society and the Napoleonic wars. *The Hound of the Baskervilles* by Arthur Conan Doyle: Sherlock Holmes' most famous case as he uncovers the truth behind the terrifying legend of a supernatural hound which preys upon the cursed Baskerville family.

**Arrival (Stories of Your Life MTI)** - Ted Chiang 2016-11-01

Previously published as *Stories of Your Life and Others*. Includes "Story Of Your Life," the basis for the major motion picture *Arrival*, starring Amy Adams, Forest Whitaker, Jeremy Renner, and directed by Denis Villeneuve. "A swell movie adaptation always sends me to the source material, so *Arrival* had me pick up Ted Chiang's *Stories of Your Life and Others*: lean, relentless, and incandescent." —Colson Whitehead, *GQ* Ted Chiang has long been known as one of the most powerful science fiction writers working today.

Offering readers the dual delights of the very strange and the heartbreakingly familiar, *Arrival* presents characters who must confront sudden change. In "Story of Your Life," which provides the basis for the film *Arrival*, alien lifeforms suddenly appear on Earth. When a linguist is brought in to help communicate with them and discern their intentions, her new knowledge of their language and its nonlinear structure allows her to see future events and all the joy and pain they may bring. In each story of this incredible collection, with sharp intelligence and humor, Ted Chiang examines what it means to be alive in a world marked by uncertainty, but also by wonder.
