Against this unholy alliance, two sworn enemies set forth to find a legendary long-lost weapon: a warhammer of

Deconstructing Early Childhood Education - Gaile Sloan Cannella 1997

From a critical perspective, some early childhood educators have proposed that the knowledge base used to ground the field actually serves to support the status quo, reinforces prejudices and stereotypes, and ignores the real lives of children. The purpose of this book is to deconstruct early childhood education, identifying and evaluating the themes and forms of discourse that have dominated the field, leading to the construction of specific theories and forms of practice that privilege particular groups of children and adults and oppress others. An alternative avenue for early childhood education is posited that focuses on social justice and human agency.

Disciple IV - Abingdon Press 2005-05

DISCIPLE IV UNDER THE TREE OF LIFE is the final

study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes

The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

Teacher Induction and Mentoring - Juanjo Mena 2021-12-22

This book draws together various theoretical and research-based perspectives to examine the institutionalization of mentoring processes for beginning teachers. Teacher induction, defined as the guidance provided to new teachers, is increasingly gaining traction as a key stage in promoting quality education.

Major efforts have been put into reducing transitional challenges from being a student teacher to a practicing teacher; optimizing professional relationships and socialization into school dynamics; and increasing teacher retention. Mentoring has been proven to add benefits in assisting beginning teachers during the early years of their teaching career, because it provides the required knowledge and skills to face uncertain school scenarios and the complexities of practice. However, teacher induction programs are not part of regular instruction in many countries. The lack of teacher training during the induction phase might result in lower levels of commitment, professional isolation, or even attrition. This book calls for more concrete mentoring processes for early career teachers, and questions how this can be put into practice.
