Demystify and appreciate the pleasures of poetry
Sometimes it seems like there are as many
definitions of poetry as there are poems.

Coleridge defined poetry as "the best words in
the best order." St. Augustine called it "the
Devil's wine." For Shelley, poetry was "the
record of the best and happiest moments of the
happiest and best minds." But no matter how
you define it, poetry has exercised a hold upon
the hearts and minds of people for more than
five millennia. That's because for the attentive
reader, poetry has the power to send chills
shooting down the spine and lightning bolts
flashing in the brain — to throw open the doors
of perception and hone our sensibilities to a
scalpel's edge. *Poetry For Dummies* is a great
guide to reading and writing poems, not only for
beginners, but for anyone interested in verse.

From Homer to Basho, Chaucer to Rumi, Shelley
to Ginsberg, it introduces you to poetry's
greatest practitioners. It arms you with the tools

The Great War in Irish Poetry - Fran Brearton
2003

The Great War in Irish Poetry explores the
impact of the First World War on the work of W.
B. Yeats, Robert Graves, and Louis MacNeice in
the period 1914-45, and on three contemporary
Northern Irish poets, Derek Mahon, Seamus
Heaney, and Michael Longley. Its concern is to
place their work, and memory of the Great War,
in the context of Irish culture and politics in the
twentieth century. The historical background to
Irish involvement in the Great War is explained,
as are the ways in which some of the events of
1912-1920--the Home Rule crisis, the loss of the
Titanic, the Battle of the Somme, the Easter
Rising--still reverberate in the politics of
remembrance in Northern Ireland. While the
Great War is perceived as central to English
culture, and its literature holds a privileged
position in the English literary canon, the
centrality of the Great War to Irish writing has
seldom been acknowledged. This book is
concerned with the extent to which recognition
of the importance of the Great War in Irish
writing has become a casualty of competing
versions of the literary canon. It shows that,
despite complications in Irish domestic politics
which led to the repression of "official memory"
of the Great War in Ireland, Irish poets,
particularly those writing in the "troubled"
Northern Ireland of the last thirty years, have
been drawn throughout the century to the
events and images of 1914-18.

Brown Girl Dreaming - Jacqueline Woodson
2016-10-11

Jacqueline Woodson's National Book Award and
Newbery Honor winner is a powerful memoir
that tells the moving story of her childhood in

mesmerizing verse. A President Obama "O" Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review

Literature and the Islamic Court - Erez Naaman 2016-02-12

Courts were the most important frameworks for the production, performance, and evaluation of literature in medieval Islamic civilization. Patrons vying for prestige attracted to their courts literary people who sought their financial support. The most successful courts assembled outstanding literary people from across the region. The court of the vizier and literary person al-Sahib Ibn 'Abbad (326-385/938-995) in western Iran is one of the most remarkable examples of a medieval Islamic court, with a sophisticated literary activity in Arabic (and, to a lesser extent, in Persian). *Literature and the Islamic Court* examines the literary activity at the court of al-Sahib and sheds light on its functional logic. It is an inquiry into the nature of a great medieval court, where various genres of poetry and prose were produced, performed, and evaluated regularly. Major aspects examined in the book are the patterns of patronage, selection, and auditioning; the cultural codes and norms governing performance, production, and criticism; the interaction between the patron and courtiers and among the courtiers themselves; competition; genres as productive molds; the hegemonic literary taste; and the courtly

habitus. This book reveals the significance these courts held as institutions that were at the heart of literary production in Arabic. Using primary medieval Arabic sources, this book offers a comprehensive analysis of Islamic courts and as such is of key interest to students and scholars of Arabic literature, Islamic history and medieval studies.

The Accidental Immigrant - David Bouchier 2004-06

Transatlantic humorist David Bouchier brings wit, wisdom and a touch of philosophy to the everyday dramas of American suburban life. This book brings together more than a hundred essays, originally broadcast on National Public Radio, or published in his Out of Order column in the Sunday New York Times. When work and marriage brought David Bouchier to Long Island in 1986 the endless suburbs seemed mysterious and exotic to him. He was inspired to begin writing essays and newspaper columns about his life there - a personal and public diary of the Resident Alien experience. In 1992 a weekly public radio essay was added to the newspaper columns, and thousands of listeners still enjoy David's weekly radio broadcasts. These are the affectionate and sometimes acerbic observations of an Accidental Immigrant, who still finds life in America endlessly stimulating and wonderfully strange. David Bouchier's thoughts about love, life, liberty, and the pursuit of happiness in the suburbs will make you smile, and make you think. Boring suburban rituals like lawn care, mall shopping, wedding rehearsals, and barbecues will never seem the same again.

Living with a Dead Language - Ann Patty 2017-06-06

"A delightful mix of grammar and growth, words and wonder." - The Washington Post An entertaining exploration of the richness and relevance of the Latin language and literature, and an inspiring account of finding renewed purpose through learning something new and challenging. After thirty-five years as a book editor in New York City, Ann Patty stopped working and moved to the country. Bored, aimless, and lost in the woods, she hoped to challenge her restless, word-loving brain by beginning a serious study of Latin at local colleges. As she begins to make sense of Latin grammar and syntax, her studies open unexpected windows into her own life. The louche poetry of Catullus calls up her early days in 1970s New York, Lucretius elucidates her intractable drivenness and her attraction to Buddhism, while Ovid's verse conjures a delightful dimension to the flora and fauna that surround her. Women in Roman history, and an ancient tomb inscription give her new understanding and empathy for her tragic, long deceased mother. Finally, Virgil reconciles her to her new life—no longer an urban exile, but a rustic scholar, writer and teacher. Along the way, she meets an impassioned cast of characters: professors, students and classicists outside of academia who keep Latin very much alive. Written with humor, heart, and an infectious enthusiasm for words, Patty's book is an object lesson in how learning and literature can transform the past and lead to an unexpected future.
