**MY TESTIMONY** - Evangelist Beverly A Swinson 2011-02-15

GOD HAS INSPIRED ME TO WRITE MY LIFE TESTIMONY, THIS IS NOT A STORY, IT'S A TESTIMONY HOW GOD HAS SEEN ME THROUGH THE TRIALS OF LIFE, I AM STILL HERE TO TESTIFY OF THE GOODNESS OF JESUS CHRIST, WHO IS THE HEAD OF MY LIFE, THE LOVER OF MY SOUL, AND THE PROVIDER THAT NO MAN CAN TOUCH. HE ALLOWED ME TO SAY (GOD CAN DO IT) I AM WRITING ON THE INSPIRATION OF GOD'S ANOINTING POWER ONLY BECAUSE I CAN NOT DO ANYTHING ON MY OWN. I DO NOT KNOW THE REASON FOR THE BIRTHING OF THIS BOOK, ONLY GOD HAS THAT ANSWER; I 'M JUST AN INSTRUMENT WHICH HE CAN WORK THROUGH. GOD SAW IT WAS GOOD FOR ME TO LIVE, HE HAS DEPOSITED ANOINTING ON MY LIFE TO GO AND SHARE HIS GOOD NEWS OF JESUS CHRIST TO TELL THAT HE LIVES AND HE IS STILL WORKING MIRACLES TO DAY. I PRAY THAT THIS BOOK WILL TOUCH SOMEONE'S LIFE THAT IT WILL BRING THE FRUITS OF SALVATION, HEALING AND DELIVERANCE, A HEALING OF HOPE. GODS HOLY ANOINTING IS AN IMPACT ON OUR LIVIES IT SENDS US INTO A METAMORPHOSIS STAGE. WHAT I MEAN, IT'S A CONSTANT CHANGE. BEFORE THE CHANGE CAN TAKE PLACE, THERE IS A TIME WHEN IT FEELS LIKE EVERYTHING STOPS. NOTHING IS HAPPENING, JOB LOST, CHRISTIAN FRIENDS DON'T COME AROUND, EVEN FAMILY STAYS AWAY, BE NOT IN DISPARE GOD IS WORKING EVERYTHING OUT ON OUR BEHALF AND GOD IS IN CONTROL A BIRTHING IS TAKING PLACE, OR A CONCEPTION IS GOING ON. LIKE CHILD BIRTH IT'S PAINFUL, GOD HAD ESTABLISHED IT FROM THE FOUNDATION OF THE WORLD.

**Testimony** - Mark Zarr 2012-01-27

Have you ever been disappointed by the church? Do you find yourself feeling as if you are on the outside looking in? For many of us church, religion, and even God seem to be unattainable. Whether we have been burned, never truly accepted, or lost in the sea of programs and church growth strategies, we all sense that something is off. Where is the Grace, Love, and Mercy that Christ came to share with us all? Miraculous stories abound of lives that have been turned around. But where is the proof of changed lives? At some point, shouldn't we see these transformations? The truth is that God's grace is for everyone. We have all fallen short, but that is only the beginning of our story. Only God's testimony is powerful enough to save us from ourselves. Our story should not be told in words, but should be lived and explored through our daily walk. We should not merely talk about grace, and mercy, and love, when we have been given the amazing gift, by Christ's death and resurrection, to show grace, mercy, and love. Our real testimonies are defined not by who we were, but by who we are willing to become.

**Life and Testimony of Lisa Chaneyfield** - Lisa Chaneyfield 2012-09

The Life and Testimony of Lisa Chaneyfield, *Life after Dark* is the story, struggles, and triumphs of a young lady who grew up in Queens, NY. It tells the story of drugs, homelessness, abuse and what it takes to overcome these obstacles. The author, Lisa Chaneyfield, spares no detail as she explains each graphic part of her life as a drug addict, prostitute and prisoner. But there is a balm in Gilead. There is a light at the end of the tunnel. When she thought that she would not make it and she felt like giving up, Lisa experienced a love like no other. The love of Jesus Christ. As she reflects on each situation you can easily see how the hand of God was on her and guiding her through. As you read these pages, don't regret the process. Realize that life's struggles are only to make you

stronger and wiser. Accept Jesus into your life and your heart aches will become a testimony a source of encouragement to someone else. What the devil meant for evil God always works it out for your good. Amen.

[On Making Love](#) - Jim Young 2008-02

Spiritual poetry ON MAKING LOVE: Spiritual Testimony to the Gift Life Is., is the eighth book in Jim Young's MY SPIRITUAL AWARENESS SERIES. This book of spiritual inference, expressed in the form of poetic verse, depicts some of the many ways of seeing life through spiritual eyes. For those on a spiritual venture who wish to plunge the depths to deeper meaning, this devout collection can awaken you to the inherent awareness of the perfection of Being you really are. Indeed, these verses can be revered as contemplative nourishment, the proverbial Word that speaks to the reader within, at the seat of Truth for each. Read and listen carefully for the resonance you will surely hear-and take this resonance as sure evidence that you, too, are a divine, spiritual being.

**How I Know God Answers Prayer** - Rosalind Goforth 1921

IT seems fitting that this little book of personal testimonies to answered prayer should have a brief introductory word as to how they came to be written. The question has been asked by some who read many of these testimonies as they appeared in the pages of The Sunday School Times: "How could you write such personal and sacred incidents in your life?" I could not have written them but for a very clear, God-given leading. The story is as follows: When in Canada on our first furloughs I was frequently amazed at the incredulity expressed when definite testimony was given to an answer to prayer. Sometimes this was shown by an expressive shrug of the shoulders, sometimes by a sudden silence or turning of the topic of conversation, and sometimes more openly by the query: "How do you know that it might not have happened so, anyway?" Gradually the impression deepened: "If they will not believe one, two, or a dozen testimonies, will they believe the combined testimonies of one whole life?" The more I thought of what it would mean to record the sacred incidents connected with answers to prayer the more I shrank from the publicity, and from undertaking the task. There were dozens of answers far too sacred for the public eye, which were known only to a few, others known only to God. But if the record were to carry weight with those who did not believe in the supernatural element in prayer, many personal and scarcely less sacred incidents must of necessity be made public.

Living With the Enemy My Short Testimony Psalm 23 v 5 ?You have prepared a table for me in the presence of my enemies; You anoint my head with oil; my cup runs over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever.? (NKJ, Study Bible).

Testimony of Light - Helen Greaves 2009-06-25

For the millions who have enjoyed Proof of Heaven, Heaven is Real, To Heaven and Back, and Getting to Heaven, Testimony of Light is about life after death—and the amazing story of a friendship that endured beyond the veil—published for the first time in the United States. Frances Banks died, as she had lived, fully aware of what she was experiencing and where she hoped to go. She was an Anglican nun for 25 years and for much of that time, the principal of the Teachers' Training College in Grahamstown, South Africa. She was the author of many psychological book. Her last book was Frontiers of Revelation, an account of research into psychic and mystical phenomena. Her friend Helen Greaves was by her side as she finally lapsed into unconsciousness. Then, one evening some three weeks after Frances's death, Helen sensed her presence. This extraordinary encounter marked the beginning of contact between them from both sides of the veil—between life as we know it and life on "the other side." Testimony of Light is based on these communications that Helen received telepathically from Frances. The writings have been authenticated by those who knew them both and who were familiar with their individual writing styles. Moving and inspiring, this classic book is a testament to the enduring power of their friendship, and offers an important message to us all—that the death of the body is but a gentle passing to a much freer and fuller life.

**A Testimony-Driven Life** - Astra Williams Brantley, PsyD 2020-08-11

A Testimony-Driven Life Biblical-Stewardship Living, Discipling Disciplers of Disciplers, in an Adversity-Centered World Our hearts weep with Christ and pray with Him in intercession for the saints for they are not "mission ready." Our hearts are grieved to agony with the Holy Spirit

because not every Christian is equipped to "disciple disciplers of disciplers." The testimony of God the Father (Who is Jesus Christ), and the testimony of God the Holy Spirit (Who testifies only of Jesus) are not faithfully reflected in "the word of our testimony." So how do we inspire each and every Christian to learn/submit/commit to sharing their own testimony, at all times, in all places, to encourage other Christians, as well as to cause others to come to Christ? How can we inspire God's people to DO THE TRUTH (John 3:21)? When God does a work in us or through us, then we should give Him the glory, by sharing of our personal testimony. As spiritual beings commissioned to live out a physical existence in an adversity-centered world, God, expects much fruit, that is, for us to do just as Jesus did, go and make steadfast disciples capable of making disciples. This is the WHAT of our obedience. Our HOW is to depend on the Holy Spirit as we learn to live/love/serve like Christ (our biblical-stewardship living). WHY? Starting with our singular purpose, a testimony-driven life, that pleases and glorifies God, we know what will be the result, discipling disciplers of disciplers, but we need to understand that "biblical-stewardship living" is HOW we get it done.

*It's a Walking Testimony* - Sharon Outland 2015-01-23

As believers, we know there is nothing too hard for God. Still, there will be trials that come. Our faith in God will sustain. In hurt, heartache, and pain, our strength rests in Jesus. Having knowledge of the word will guide us through in moments of difficulty. Traveling down an unfamiliar path in life can be frightening. Not knowing all that the future entails can be devastating. On this journey, your belief in God will bring you out. In events of crisis we are strengthened. Psalms 124:8 says, "Our help is in the name of the Lord, who made heaven and earth." God will instruct you on how to walk; he will be our example in these times. Things will get hard, but you must keep the faith. He knows all about us, from every disappointment to each issue we face. How we walk in our storms determine the outcome. If you ever desire to know who God is in life, let him take you through a storm. When you come out praising him, you will know for yourself that you are somebody in the Lord! To God be the glory for all he has done. In loving memory of my late husband, L. T. C. In reading these stories, you will share in her journey and experience the inspiration, faith, hope, humor, romance, and love she experienced. The stories in Living Inside The Testimony revolve around Betty's experiences with her family, friends, and other individuals who have contributed, often unknowingly, to the path God has chosen for her. Betty attributes her success and her great love to God, and she shares with readers how God has orchestrated her life's path every step of the way. Betty's prayer is that you will see and feel Proverbs 3:5-6 come alive and speak to your heart as you take a walk with her, inside her testimony. She hopes you enjoy the journey and discover that we all live inside testimonies meant to be shared with others.

*Let Me Tell You about My Life Story and My Living Testimony* - Paula Stewart-Williams 2020-11-02

This book speaks about what my life has been like since I've been in the United States. I talked about what my marriage was like and the struggle that I went through with my mental illness and how I was treated while I was going through my sickness, what got me to start serving the Lord and how God was blessing me even when I did not deserve it, my trials and tribulation, how he brought me out. What led me to be fully committed to the Lord? How I did what I had to do to take care of my son and to make sure he was okay? If you are a mother, you will understand where I'm coming from. If I had to do it all over again for my son, I would but do things differently. I also speak about my past relationships and how my grandmother was truly a blessing to me in the time of need. I was at my sick age, but I took the plane by myself to go to Jamaica to be with my son. I, with God on my side, brought him back home where he

belongs, with his mom. Also how I got a second chance at life from the Lord. I speak a little about me and my family, but that does not mean I do not love them. I do love all of my family, and I hope when they're reading this book they will see things from my point of view.

Satan, You Didn't Steal My Joy. First I give honor to God and his son Jesus and the Holy Spirit that leads and guides me. This book is based on a true story on how I lived by letting seven demons get in control of my life because I was in love with some one that was not God. I made him my God by trying to give and prove to him all he needed was me. I wanted him to know that I would do anything for him and in that I let satan deceive me, where I didn't let God in and while I was on my journey of destruction all else followed the lies the drugs the prostitution and the guilt. With that came the shame and these seven demons played a major role call in me and not only in me, but it brought pain to the ones that loves me. It started out with the demon called un-clean and this is my testimony.

**Al Aqmar** - Ja'far us Sadiq Mufaddal Saifuddin 2000

**The Testimony of Jesus** - Witness Lee 2005-12

The local church, the church in each locality, is the testimony of Jesus today. The testimony of Jesus is the practical church, not the church ?in the air? or the church to come. A church yet to come cannot show Jesus to people, and a church ?in the heavens? may show Jesus to the angels, but it cannot show Jesus to people on the earth. Therefore, we need to consider whether we truly bear the image of Jesus. If we show someone an unclear picture of a person, it will not be a proper testimony of him with his image and appearance. We may see something in the picture, but it will not be the person we claim to show. The church in our locality must bear the image, expression, appearance, and virtues of Christ.

Testimony After Catastrophe - Stevan Weine 2006-08-14

Survivors of political violence give testimonies in families and communities, trials and truth commissions, religious institutions, psychotherapies, newspapers, documentaries, artworks, and even in solitude. Through spoken, written, and visual images, survivors' testimonies tell stories that may change history, politics, and life itself. In this book Stevan Weine, a psychiatrist and scholar in the field of mental health and human rights, focuses on the testimony of survivors for the hope it might hold-hope expressed by survivors again and again that, no matter what horrors or humiliations they have endured, some good might come of their stories. It is through the thinking of Mikhail Bakhtin, and his approach to narrative, that Weine seeks to read the testimony of survivors of political violence from four different twentieth-century historical nightmares--and to read them as the stories they are meant to be, fully conveying their legitimacy, resourcefulness, power--and, finally, hope. A deeply involving, compassionate, occasionally confrontational blend of practical hands-on experience and dialogic theory, emerging

from the author's decade-long work in Europe and Chicago with survivors of the Balkan wars, this book is committed to the proposition that efforts to use testimony to address the consequences of political violence can be strengthened--though by no means guaranteed--if they are based on a fuller acknowledgment of the personal and ethical elements embodied in the narrative essence of testimony. These elements are what Testimony after Catastrophe seeks to reveal.

**Life's Testimony in Poetry** - James Kaymore Jr. 2013-03-05

**Testimony** - Rachel Muers 2015-03-31

This book brings Quaker thought on theological ethics into constructive dialogue with Christian tradition while engaging with key contemporary ethical debates and with wider questions about the public role of church-communities in a post-secular context. The focus for the discussion is the distinctive Quaker concept and practice of 'testimony' - understood as a sustained pattern of action and life within and by the community and the individuals within it, in communicative and transformative relation to its context, and located in everyday life. In the first section, Rachel Muers presents a constructive theological account of testimony, drawing on historical and contemporary Quaker sources, that makes explicit its roots in Johannine Christology and pneumatology, as well as its connections with other Quaker "distinctives" such as unprogrammed worship and non-creedalism. She focuses in particular on the character of testimonies as sustained refusals of specific practices and structures, and on the way in which this sustained opposition gives rise to new attitudes and forms of life. Articulating the ongoing relevance of this approach for theology, Rachel Muers engages with the "ethics of witness" in contemporary Protestant theology and with a longer tradition of thought (and debates) about the significance of Christian asceticism. In the second section, she develops this general account through a series of case studies in Quaker testimony, written and practised. She uses each one to explore aspects of the meaning of, and need for, shared and individual testimony.

**Testimony** - Thomas G. Long 2004-08-10

In this groundbreaking book, Thomas G. Long—a theologian and respected authority on preaching—explores how Christians talk when they are not in church. Testimony breaks the stained-glass image of religious language to show how ordinary talking in our everyday lives—talk across the backyard fence, talk with our kids, talk about politics and the events of the day—can be sacred speech. In a world of spin, slick marketing, mindless chatter, and easy deceptions, Testimony shows that the hunger for truthful, meaningful, and compassionate speech is ultimately grounded in truth about God.

My walk with the Lord has never been the same since the day I chose to tithe and I want to show you how to tithe through my living testimony. I pray this book is a blessing to you and your family.

**Experiencing God's Voice** - Cindy Vo 2013-04

Through the guidance of the Holy Spirit, I wrote this book because I believe that the Lord wants to teach each of us to learn how to listen to His voice. Jesus the Lord is the Shepherd, and we are His sheep, for Jesus said, "My sheep hear my voice, and I know them, and they follow Me" (John 10:27). I still remember vividly the morning when I was praying, and the Holy Spirit told me, "My dear little child, I want you to write a book to show my children how to listen to my voice."
