The Warrior King - Leah Ross 2022-01-04

Oron didn't want to rule Sehaann. But now he's leading his nation to war for its very existence. He fights for his people's safety, for a peaceful future, for freedom from the tyranny trying to eliminate him. Heritage has plagued his life and now that legacy hangs on the edge of oblivion. No matter how he got here, he can't let it fall. Because failure means the end of everything he loves. Caught between obligation and duty, treachery and redemption, Sanjay is powerless to stop the machinations dragging him into war on the wrong side of the battlefield. He can't fathom opposing his knightly brethren, but when he's forced to face Oron from the enemy lines, all of his worst nightmares suddenly become reality. Destroy Oron and the knights of

Sehaann, or sacrifice all he holds dear. Either choice means Sanjay loses. The persistent rage simmering in Kyren's soul is now a demon threatening to consume him. Everywhere he turns, the consequences of his failure torment and remind him of how unworthy he is of his elite status. He's a liability to those he's sworn to protect and jeopardizes Oron's battle plans at the worst possible moment. If he can't control his seething vengeance, he'll lose much more than his position. He'll take the world down with him. All William wants is to protect his family. The ones he loves are worth everything to him so he extends his power beyond known limits to help Oron and his army succeed. What he achieves is beyond anyone's expectation, but it's more than even an immortal winged warrior can withstand. With godlike energy at his fingertips, he can alter reality to his whim. If he doesn't obliterate it first. Overwhelmed and under siege, Taj can barely provide for his own community when refugees start arriving from around the

country. As casualties mount, his leadership and therapeutic skills are stretched to the brink. But nothing prepares him for the horror of battle, where seconds mean the difference between life and death. Not even a gifted healer can save everyone. And sometimes, seconds are a luxury that no one can afford. In the ultimate battle for Sehaann's survival, honor will be tested, loyalty will be shattered, sacrifices will be made, and no one will emerge unscathed. Everyone's spent a lifetime giving all they have to fight for what they believe in. Now is when they find out if it's enough. This work is intended for a mature audience and contains mature content. Dragon Kings of the New World - Dante Doom

"WOW!! What a FANTASTICAL Ride" "This was a solid LitRPG that went in an interesting direction! It was a great story that kept me hooked through the entire book. I liked the contrast between Van and Sang, an ambitious gamer who lives to game, and an aggressive agent who thinks it's a waste of time. They were both likable and their banter cracked me up." Grab Dante Doom's gripping LitRPG series, Dragon Kings of the New World. The Star Dragon, The Black Dragon, and The Iron Dragons are available for the first time as a boxset. The Star Dragon When the real world is threatened, it's up to the players in a virtual one to save it. Van Vanyushin doesn't see the point in ever leaving the beautiful digital world of the game he loves—and for good reason. In the industrial wasteland he calls home, it is often the only way people can experience life's simplest pleasures. But his allegiance to the game is tested when an ambitious CIA agent named Sang Ngo calls upon him to help as she goes

undercover in the game to investigate Draco—the corporation responsible for creating the massively popular role-playing game Dragon Kings of the New World. Sang is a gifted hacker who feels nothing but contempt for those who waste their lives in what she sees as a false reality...but when people start dying in the game, she must find out why. Van, a talented gamer, is her guide to navigate the world, level up their newbie characters fast and get into some of the most dangerous areas of the game. He dreams of becoming a pro gamer sponsored by Draco one day, but his partnership with Sang threatens to expose secrets from his past that could jeopardize those plans. The Black Dragon Mysteries abound as a dangerous game becomes deadly... Dedicated gamer Van and his CIA agent partner Sang have successfully infiltrated Dragons Kings of the New World, but the further they go, the more questions arise. They return to find that the in-game kingdom of Silver Peak, which Van once ruled as one of the most

powerful players in the game, has now fallen into disrepair. There they recruit a mercenary party of adventurers from among Van's old comrades and venture to find the hidden realm of Bloodrock—which Van suspects could hold the key to the game's mysterious origins. The Iron Dragons Can two fugitives beat Draco at its own game? Van and Sang are on the run, forced to log on and play Dragons of the New World from a dank basement hideout with borrowed characters while the world crumbles around them. Sang is losing hope after being fired by the CIA, but Van's resolve is only growing.
