*Training the Best Dog Ever* - Larry Kay 2012-09-25

Training the Best Dog Ever, originally published in hardcover as The Love That Dog Training Program, is a book based on love and kindness. It features a program of positive reinforcement and no-fail techniques that author Dawn Sylvia-Stasiewicz used to train the White House dog, Bo Obama, and each of Senator Ted Kennedy's dogs, among countless others. Training the Best Dog Ever relies on trust and treats, not choke collars; on bonding, not leash-yanking or reprimanding. The five-week training program takes only 10 to 20 minutes of practice a day and works both for puppies and for adult dogs that need to be trained out of bad habits. Illustrated with step-by-step photographs, the book covers hand-feeding; crate and potty training; and basic cues—sit, stay, come here—as well as more complex goals, such as bite inhibition and water safety. It shows how to avoid or correct typical behavior problems, including jumping, barking, and leash-pulling. Plus: how to make your dog comfortable in the world—a dog that knows how to behave in a vet's office, is at ease around strangers, and more. In other words, the best dog ever.

*Dogs Deserve Dialogue* - Judy Moore 1999

Until you know what causes bad behavior in dogs, you cannot correct that behavior. This book explains in plain and simple language the two

reasons for bad, inappropriate, or uncooperative dog behavior. Then the book teaches you a practical method, based on kindness and love, for eliminating the underlying causes of all forms of bad dog behavior without punishment. Because the method addresses the underlying causes, it is simple, fast, foolproof and fun. This book teaches you how to use the basic obedience exercises (sit, down, stand, stay, come, heel) to build life-saving dialogue with your dog in minutes, without punishment. You will use this book as a step-by-step guide to the great relationship with your dog you may never have thought possible.

This natural skill can be used to teach dogs new behaviors using the Do As I Do protocol presented in this book-DVD combination. The "Do As I Do" method is particularly useful in working with service dogs and canine athletes who must master skills such as ringing a bell, jumping over a hurdle, spinning and dozens more.
